

# FROM THE DESK YWCA SOUTH FLORIDA CEO

Dear Supporter,

This year's theme at the YWCA was "Dare to be Powerful." This statement served as a rallying cry of sorts among the individuals within our organization that radiated out to those we serve.

What does it mean to dare? What does it mean to be powerful? Each of these words alone holds such strong connotations for how we see ourselves in the world. If you are daring, you are thought to be bold and some would even say fearless. If you are powerful, you are thought to have great influence on the world around you. While both negative and positive things can come from such ideals, our emphasis is on the **boldness** of our mission to *eliminate racism and empower women*, the **fearlessness** of those who carry it out, and the **influence** our mission has on the world in which we live.

As you take a look at this snapshot of our 2018-2019 fiscal year, I invite you to consider the ways in which you yourself can **Dare to be Powerful**.

Sincerely,

Kerry-Ann Royes

## **Court Care/KidSpace**

Our Court Care programs provide intervention and prevention activities for children whose families are attending judicial hearings in Miami-Dade and Broward.
